Arbitration in the growth engine of the world economy

Hosted by

The Australian Centre for International Commercial Arbitration (ACICA) is honoured to be the official Conference host and organiser of the 10th Anniversary Asia Pacific Regional Arbitration Group (APRAG) Conference in 2014.

As Australia's only international arbitration institute, ACICA would like to invite you to join us in celebrating APRAG's achievements and exploring opportunities and challenges for the next decade.

Conference Program

The accomplishments of APRAG in its first ten years will be highlighted by each of the previous four Presidents along with the current President, and more importantly, the Conference will also seek to project forward for APRAG itself and the entire Asia-Pacific international arbitration community.

With around forty prominent speakers and the support of members of the judiciary, the Conference will examine areas of potential growth for arbitration in the region, and will also provide an excellent networking opportunity for delegates.

Please join us for an informative and exciting program of presentations and social events.

We look forward to seeing you in Melbourne in March 2014!

Doug Jones AO

President, Australian Centre for International Commercial Arbitration
